

# FAITH AT WORK: A CURRICULUM FOR LOCAL CHURCHES

**Are you looking for ways to equip Christians for mission in the workplace?  
Do your people feel a desire for deeper connection with God at work?**

**Faith at Work** is a live workshop course for local churches. It can be integrated into a Sunday school plan, used as a small group curriculum, or hosted as a standalone series. At each meeting, course participants talk, pray, and learn together about faith at work.

Mission Central Team Leader Chris Easley helps each congregation customize Faith at Work for their context, including co-facilitating workshop sessions.
